

YAZOO CITY HERALD.

FRIDAY, JUNE 20, 1902.

ANNOUNCEMENT.

FOR CONGRESS.

I would like to be nominated by the Democrats of the Eighth Congressional District of Mississippi, as their Representative in the Fifty-eighth Congress.

I will try, if nominated and re-elected, to be worthy of my friends, true to my party, to the people of my State, and to the South, and to make here a record of public services as acceptable to my new constituents as that hitherto made seems to be to the people of my old District.

Increasing experience ought to render me, and, I hope, will render me, increasingly able to succeed in this aim.

JOHN S. WILLIAMS,
Washington, D. C., March 7, 1902.

We are authorized to announce HON. CHAS. E. HOOKER, of Hinds, as a candidate for Congress from this, the Eighth District, subject to the action of the Democratic primaries.

The Herald is authorized to announce Honorable PAT HENRY, of Warren county, as a candidate for Congress from the Eighth District, subject to the action of the Democratic primaries.

LOCAL JOTTINGS.

Mrs. W. G. Harlow left Wednesday for Castalian Springs.

No one is complaining of the weather not being warm enough.

The June wedding bells have not quit ringing. Two are announced for next week.

Wilkes is the name of a new postoffice in Bent 4. Mr. Mack Wilkes is appointed postmaster.

Ekster is the name of a new postoffice established in the county, with Mr. Thos. L. Wallace as postmaster.

Mr. A. H. Smith sent to the Herald, Saturday, several cotton blooms from his farm north of Yazoo City.

Yazoo City will spend the 4th of July in the usual way. Business will be suspended and almost every body will go fishing.

The teachers normal at Bay St. Louis conducted by Prof. T. L. Trawick, opened on the 17, and not the 24, as it had been announced.

With two votes in opposition the progressive citizens of Pickens voted last week to issue bonds to put in a system of waterworks.

The attendance upon the Fanny J. Ricks Summer Term at the State University is larger than in any previous year. The entire expense of the term of nine weeks is paid by Mrs. Ricks.

We rather think that the Baptist added on to Rev. A. V. Rowe's article on the recent meeting he held at Concord church in this county. In speaking of the contributions for State missions the paper has \$90,000 as the amount subscribed.

The Vicksburg Herald notes that Hon. John S. Williams is one of three Congressmen chosen by Typographical Union No. 6, as speakers at the memorial services of the late Amos Cummings. The addresses will be delivered June 22nd, at Carnegie Hall.

Mr. F. J. Braddock, who for several years has been with Messrs. Craig & Co., in Yazoo City, left Monday to take charge of their store on Silver Creek. The management could not have been entrusted to one more efficient or worthy than Mr. Braddock. Mr. Braddock's family will join him in a few weeks.

St. Clara's Academy closes its 30th year tonight with a splendidly arranged program. The exercises begin promptly at 7:30 o'clock. Parents and friends of the institution are cordially invited. No children will be admitted. Classes in music and embroidery will be continued during the vacation.

The Supreme Court Friday remanded for retrial the case of Mrs. Elizabeth Ballard vs. the Mississippi Cotton Oil Co. This is the case in which the company is sued for the death of Mrs. Ballard's son, John, who was killed one night about two years ago while he was oiling the machinery of the mill at Yazoo City.

Rev. Dr. A. F. Watkins, having resigned the presidency of Whitworth College at Brookhaven, Rev. Dr. Inman W. Cooper has been elected to the position. If the Herald is not mistaken Dr. Cooper is a native of Yazoo county. He is well known in the county and is one of the most eloquent ministers of the Methodist denomination.

The Herald is indebted to Mrs. Lucy Kidd Key for a catalogue of the North Texas Female College, located at Sherman. Under the wise and efficient presidency and management of Mrs. Kidd, this has become one of the leading and most noted colleges and conservatories of music for young ladies in the United States. During the session just closed there were 376 students.

The two months old son of Mr. and Mrs. C. B. Whittington died Wednesday afternoon at the residence of the child's grandparents, Mr. and Mrs. W. S. McAlpine. The little fellow had been sick but a short time and during its illness received every possible attention from devoted parents and relatives. The remains were interred in the city cemetery, yesterday the funeral services, being held at 10:30 a.m., at the residence of Mr. Whittington. The Herald offers to Mr. and Mrs. Whittington its sincerest sympathy.

Death of Mrs. W. H. Madden.

Mrs. W. H. Madden, wife of Mr. W. H. Madden, superintendent of the Producers Oil Mill, died Tuesday night at the family residence, corner Canal and Madison sts.

Mrs. Madden had been confined to her bed but a few days, the cause of her death being flux. While she had resided in Yazoo City but a few months, coming here with her husband and children from Lexington, she had made a number of warm and devoted friends, and her death caused universal sorrow in the community. Mrs. Madden was an affectionate wife and mother and a consistent member of the Methodist church. Her daily life was that of a true Christian woman, exemplifying by walk and conversation the religion which she professed.

The funeral services of this good woman were held at the Methodist Church Wednesday evening, 5:30 o'clock, being conducted by Rev. W. B. Lewis, the interment being in the city cemetery.

To mourn the death of Mrs. Madden a husband and five children are left, and in their hour of great sorrow and grief, the sympathy of many friends is extended.

Chas. Clark, Jr.

The remains of Chas. Clark, Jr., two-year old son of Mr. and Mrs. Chas. Clark, were brought to Yazoo City Monday evening on the 7 o'clock train from Castalian Springs, where the child died that morning at 5 o'clock.

The remains were accompanied by the grief-stricken parents, its grand mother, Mrs. Laura Clark; Mrs. Jas. Henderson an aunt; and Rev. Albert Martin, rector of Trinity Episcopal church, and Mr. J. W. Gregory.

The funeral of this little child was held Tuesday morning, 9:30 o'clock at Trinity Episcopal church, the service being conducted by the rector.

With the hope that a change would prove beneficial the child was taken to the springs two weeks ago by its mother. In the great sorrow that has befallen them the grief-stricken parents and relatives have the sympathy of everyone.

Walter Mattingly Barbour.

In the death of their four-year old son, Walter Mattingly, Mr. and Mrs. A. F. Barbour have the sincerest and deepest sympathy of the entire community. The sad event occurred Friday night, 11 o'clock, at the home of the parents. Funeral services, was largely attended, were held in the Presbyterian church Saturday evening, 6 o'clock, being conducted by Rev. C. E. Cunningham.

The deceased was ill but a short time and his death is a sad one indeed. He was a bright, manly little boy and his death is a great shock to his devoted parents and relatives, and in their grief and sorrow the Herald sympathizes.

An Infant's Death.

After an illness of several weeks Richard K. infant son of Mr. and Mrs. Richard N. Ingram, died at the home of its parents Wednesday morning. Funeral services, conducted by Rev. C. E. Cunningham, were held at the family residence yesterday morning, 9 o'clock, the remains being interred in the city cemetery.

Tenderest and deepest sympathy is extended the heart-broken parents in their hour of great sorrow and bereavement, who have been called upon to surrender their only child to Death.

The Drouth.

From all sections of the county come reports that the crops are suffering from the drouth. The winds that have been blowing steadily from the west and north-west for the past ten days, are drying up the ground and parching the crops. Corn is especially suffering. It is now at a critical period, and unless rain comes within a very few days, the crop will be almost a total failure. This would be a calamity to the farmers, who had planted for a large crop and until ten days ago the crop never looked more promising.

Cotton is standing the dry weather better than the corn, but it, too, is beginning to suffer. The weather is not only dry, but intensely hot for June. Many silent prayers for rain are being offered.

Now I Lay Me.

Now I lay me down to sleep:
(Closer, Death, to thee I creep!)
So I prayed in days gone by,
So I prayed as night draws nigh.

Now I lay me down to sleep;
God his little child will keep.

Now I lay me—God has kept
Watch above me while I sleep.

Earth has been a godlier place
For the shining of His face.

Should I die before I wake,
God his little child will take.

—Gertrude E. Heath, in Lippincott.

The Vicksburg Herald thinks "there must have been error in that statement, from Jackson we believe, that ex-Postmaster Everett, of Yazoo City, was removed for cause. The Yazoo Herald says "there is not the least suspicion that the office was not conducted honestly." And that "Mr. Everett has often been complimented for the correct manner in which his books were kept and his promptness in settling." His removal is but due to political incidents—such as all who hold public office at the hands of others, are liable." This last remark calls for qualification. The removal of worthy officials belonging to the party of the administration, and to make place for "political incidents" of the opposing party, is a unique combination of Teddy and Eddy.

\$5 in Gold

Given Away!

I am going to give \$5.00 in gold to some Yazoo county boy or girl. This money will be given away absolutely free. All we want in exchange for it is a suggestion of a name for one of our sales. Now here is the plan. We have had two special sales so far this spring. The first we called "Summerfield's Special Sale," and the second, "Summerfield's Second Special Sale," or "Our Big Four-S Sale." Now we want to have another of these big sales, to include everything in our line, and we don't know just exactly what to call it. We have decided to let some boy or girl in Yazoo City or Yazoo county name this sale for us before it comes off, and we are going to give

\$5 in Gold to the Boy or Girl who Furnishes the Best Name

Any boy or girl, who is under the age of twenty years, residing anywhere in Yazoo county, will be eligible to enter this contest, which will be closed promptly at 12 o'clock, noon, Monday, June 30. In this ad will be found two coupons. Cut them out; in one fill in the name which you want to suggest for the sale, and in the other write your name, age and postoffice address. Enclose each of these coupons in separate envelopes, seal, and then place both these envelopes in a third, and mail to us. Free coupons may also be obtained at my store. The envelope containing your suggestion for name and the one containing your signature will be numbered by us, so that when the judges come to make the awards, the identity of the contestants will not be known to them, thus insuring absolute fairness.

Three lady judges will be appointed, and after all the suggestions are gone over, their award will be made, and the boy or girl whose name for our sale is deemed best will be given this \$5 in gold. This name will be used in our third and last special sale, to be given at a date to be announced later.

Every boy or girl in this county between the ages stated will be eligible to enter this contest. Here is a chance to win \$5 with very little effort. Send in your suggestions promptly, using the coupons in this ad. You may send as many suggestions as you like.
